

Fellowship Minutes – August 2, 2022

In Attendance – Ralph Bowling, Todd Brown

Staff member present – Melissa Worthey

No action items for session

Bats game Thursday, July 28 – 22 total attendees!

New Business (still): PresFest! – Sunday, September 25

We proceeded with plans for Presfest . The stage and tent (already rented by Vini) will be on the Highland side of PMC. Bounce house will be set up around in the front of PMC. Ralph will check power availability in the meantime but an alternate solution is to rent a small Honda generator and put it further north around the corner from the stage and in the bushes. The noise should not be a problem for the music. Two port-o-potties are rented and will be placed in the parking lot. Permit application to close the street has been submitted by Megan. Hospitality bags (sack lunches) will be supplied by kitchen team. Decided to go with Nabs (cheese or peanut butter and crackers 6 packs) instead of sandwiches because of covid. Three food trucks mostly locked in (Boss Hog BBQ, Good Belly, and Bamba Eggroll). Trucks will park on the south side of Highland in front of Weekday School and playground. Food trucks will charge for meals (the sack lunches are free) and are being asked to have a large amount of food ready to go to reduce wait times.

To do:

- Follow up on permit
- Rent barricades
- Talk to committees about having tables of info
- Depending on Covid situation recruit youth for face painting, water table, watermelon
- Recruit volunteers for the bounce house

Next meeting Sep 6, 6:00pm
