

Fellowship Minutes – September 6, 2022

In Attendance – Ralph Bowling, Nancy Lacer, Rachel Lacer, Alex Novak, Sara Gambrell

Staff Members present - Megan McCarty, Vini Frizzo, Melissa Worthey, Nolan Huizenga

Discussion Items for session:

1. Looking for volunteer(s) to bring 2-3 watermelons and serve them.
2. Do we want to set up tables for each of the churches committees or groups to inform and recruit new members?
3. Wednesday dinners at 5:00 to start on Session/Children's choir night in October.

PresFest – Sunday Sep 25

We have obtained our permit to block Highland from Cherokee to the alley. Barricades have been rented. Patricia Connally and I will be canvassing the neighborhood the week before to pass out fliers letting our neighbors know of the closure and inviting them to come and enjoy the music and food trucks. Bounce house is reserved. We are reaching out to the children's committee to try and recruit parents to man shifts at the bouncy. We are working with Tom Reichard to ensure that we are plugging into multiple circuits in the PMC to avoid tripping any breakers for the band and the bounce house. We have reached out to the youth for face painting and have at least one volunteer already. Snack bags will be available in the church but their main food supply will be by the three food trucks arranged by Megan. The food is for purchase and we have guaranteed that each truck will get a certain amount. If they do not hit that minimum Fellowship will cover the difference. Hopefully this will not be necessary.

Wednesday Dinners starting in October

Todd Brown and the whole kitchen team are just itching to cook dinners again. A once-a-month meal will not tax the group at all.

Adult Education Fall Speaker Series

This past week we ordered Panera for lunch. We will probably cook for the next one. Details to come.
