Committee Update

1.Update on Habitat for Humanity

This Saturday, October 22nd, is another opportunity to support Habitat for Humanity and the annual Presbyterian Build. This year's build is very close to church, on Ormsby Ave in Smoketown. I hope you'll come join Beulah Presbyterian and help work on another safe and affordable Habitat home right here in our neighborhood. Work will start around 8:30. Try to come out and join the team for whatever amount of time works for you. We appreciate the support. Here is the sign up link.
