None

**Items for Information:**

- We made it through Holy Week! Many thanks to all who pulled together many moving parts.
- All session members have responsibility for serving communion. Six servers are needed for each occasion on which communion is offered, typically the first Sunday of the month. WSL will provide a diagram for all serving positions. Emails will go out to pin down availability and assign positions. This will be fun!!!

Respectfully submitted,  
Carol Pye, Chair
