Debrief – Wednesday night dinner – April 16

Food good, attendance good even though there was no Children's music program that night. 30-40 people. The Earth Care Team made up some numbers. Their presentation was well-received.

Adult Ed luncheon – April 13

Numbers were down due to COVID.

Not catered and Nancy L made some great vegetarian soup and chicken salad, and we cleaned out the freezer somewhat!

Food well received. Speaker good. Expenses should be shared with Adult Education.

Budget can't sustain lots of catering as it is pricey.

We have \$10K remaining for the year. Pres Fest uses \$3-4K

Plastic lids are coming in!

Cedar Ridge Worship service and picnic.

Food was good,

Service was good

Weather chilly but it was sunny and area worked well. No problem with parking

Any pushback from no service AT HPC? Apparently not

Next year We can rent the chapel and dining hall - The date for next year has not been set. We'll try for later in May

Years past – hamburgers/hotdogs and chips and others brought side dishes. More oriented to Youth.

May Wednesday night dinner – May 17

Salad bar. Nancy Reed is in charge. Fruit and dessert are still to be arranged. Todd will send a recruitment blast out Wednesday.

Pentecost picnic – May 28. It is also Confirmation Sunday.

We have grillers!

Wayne can clean the grill
need charcoal and lighters.

Todd has a list of what we will need for food, condiments and supplies.

One of the two confirmands needs to be G/F so we will order a cookie cake from Annie May's which will cost \$30. We will get cookie cakes from Kroger or Sam's or wherever for the remaining desserts. Omit the requests for desserts from the Pot Luck.

June and July we will NOT have Wednesday night dinners.

Other Events:

PRIDE Festival in June – Rachel and Diana will coordinate our efforts.

BATS game – Megan has reserved 20 tickets for the July 18th game

Rally Day - School starts on Aug 9 this year. It is uncertain when the Childrens Music will resume. We will plan to do a **Wednesday Night Dinner on August 16.**

Nolan's Installation – TBD.

Sunday late afternoon Possibly in August. He loves ice cream. Maybe make it an ice cream social?

Megan shared an idea that Crescent Hill PC has an Ice cream truck Sunday where the church pays a set amount per person and people can order whatever they want. Need to check prices.

We adjourned at 6:30.
