

Personnel Committee Report to Session

At the May meeting, the Personnel Committee reviewed the feedback from the Children's and Youth programs regarding future leadership of each. Both positions will be 30 hours per week and are eligible for benefits as needed. For the Director of Children's Ministries, we will create a search committee that will include members of the Children's Committee, Personnel Committee, and Session.

ACTION ITEM: We request that Session call a *Congregational Meeting for May 28, 2023*, for the purpose of electing an APNC. We will ask the Congregational Nominating Committee to identify a slate of volunteers to search for a Director of Youth Ministries.
