Dear Highland,

A joyful Advent and Christmas season to you from your HPC staff! We thank God for the honor of serving in ministry alongside you all. May Jesus' arrival spark hope and transformation in each of us, empowering us to bless the world in his name.

Session Summary

Report from the November 2023 Session Meeting

The session elected Sallie Stevens as Clerk of Session.

From Property: The Session approved the allocation of \$100,000 from the Memorial Fund to match the \$100,000 already committed by the Nursery and Weekday School for renovations to the Walker-Nevin Building. These renovations will include new flooring, LED lighting, low-flow toilets and cabinets for classrooms. This project will also include the hiring of a short-term, part-time project manager.

STITCH NEWS

On Tuesday afternoon, **December 12**, from 12 noon to 3:00 pm, the students and volunteers of STITCH are hosting an Open House and Sale. STITCH is a ministry of Highland Pres with Kentucky Refugee Ministries and for over 13 years we have been teaching refugee women to sew. These women have been able to use their new skills to make items to sell, while sewing at STITCH, and also in their homes. This helps them supplement their family income. One hundred percent of the sales go directly to the women who create the items. Please stop by and shop from their amazing selection of hand-crafted items: purses, tote bags, hats, scarves, aprons, microwave bowl potholders, pillows, table runners, baby items and Christmas items. STITCH is located in the Pleune-Mobley Center. Enter the building from the church parking lot on the lower level near the orange recycling cans. Take the elevator to the third floor. Cash, checks, and credit cards are accepted.

Mission and Service

Dare to Care Food Bank

Dare to Care Mobile Food Pantries: We give great thanks for our ongoing relationships with our Dare to Care Food Pantries! We help provide volunteers for two separate food pantries each month. Portland Avenue Community Trust is located at 2508 Portland Ave and Grace Hope (Smoketown) is located at 702 E Breckinridge St. This month, the food pantries will take place on **Tuesday, December 5**

(Portland) at 9:45 am and **Tuesday, December 19** (Smoketown) at 1:30 pm. This is a wonderful volunteer opportunity because you only have to give an hour to make a big difference in someone's life. As a volunteer, you will be handing out the food that Dare to Care provides. It's a wonderful way to get to know people in other parts of town and provide a service that is greatly needed.

Christmas Joy Offering - This special offering will be collected in worship on Sundays, **December 17th and 24th**. Highland participates in this denominational offering of the Presbyterian Church (U.S.A.) each year. This offering supports the Employee Assistance Program of the Board of Pensions providing integral financial support for church workers and their families facing difficult life circumstances. Additionally, this offering provides resources for Presbyterian-related racial ethnic schools and colleges to provide supportive environments designed to help diverse students succeed. Because Advent and Christmas shine a light not only on our world's greatest hope but also on our world's greatest need, we support the work of the church through the Christmas Joy Offering.

Nursery and Weekday School

We've had a lot of play, (and the learning that comes right along with it), happening at the Nursery and Weekday School. Last month was packed full of learning for children, and teachers, too. Thirty-one teachers from our school packed their bags and headed south to Nashville, TN to attend the National Association for the Education of Young Children (NAEYC) conference. Many workshops were attended, many notes were taken and many minds were lit up with new learning, new understanding of children's minds and new ideas to bring back to the classrooms. As much as we gleaned from this conference, we also contributed to the learning of others as we presented a workshop entitled, "Who are we and what are we doing here? Examining Core Values to Strengthen Identity, Mission and Practice." Three administrators and six teachers worked together to bring this new learning to the conference participants who attended.

Examination of our own core values guides us to reflect on our gratitude to the many families who trust us with their most precious children. We are also grateful for the unwavering support of Highland Presbyterian Church and are proud to represent the good work of the church in the Louisville community.

Greetings from your APNC Youth Committee! We went before the Presbytery COM on Nov 6 for approval and after some minor modifications to our posting, our Ministry Discernment Profile was passed and has been posted in the PCUSA Church Leadership Connection as an open Youth Associate Pastor position or a Director of Ministry position. You can also find our posting on the church website, along with the Children's Committee posting. We have a posting currently on the Presbyterian Youth Workers Association website and have established a relationship with their director. We have reached out to several professional sources such as the More Light Presbyterian website and the Johnson C. Smith Seminary with plans to reach out to other Presbyterian Seminaries for posting. We have had several self nominated applications come in this week already and have had some contacts with others that are interested in applying. We have met and gone through our first set of matched applications through the CLC system and feel like we made a great deal of progress in the month of November. Please feel free to reach out to any of our members if we can be of any assistance and we welcome your prayers for our Committee and our next Youth Director in this process!

COMFORT AND JOY

In all its hustle and bustle, may December bring tidings of comfort and joy to you and your children. It IS the most wonderful time of the year to sing carols and songs of love, Jesus, God, and peace on earth. We are "setting" memories in your children's brains by singing classic Christmas hymns. We know repetition helps memory, and memory is a key component of brain development. May we all have those GOOSEBUMPS when we sing Hark the Herald and Silent Night.

Children's choirs continue Wednesday evenings at 6:00, December 6 and December 13. NO CHOIR on Wednesday, December 20 and 27.

Pageant rehearsal-Saturday, December 23, 10:00am.

Pageant with BEAUTIFUL singing by your children-11:00am, December 24 - Yes, that's Christmas Eve! Bring your whole family!

MUSIC will bring us together this Advent and Christmas. Joy to the WORLD!

Stewardship 2024 and Year End Giving

"Let your generosity be the spark that ignites endless possibilities for generations to come." – Oprah Winfrey

Join us in imagining the endless opportunities through your generous pledge for 2024. Scan the QR code to make your commitment today!

Pledges & Gifts - All year end gifts, Operating Pledge, Special Offerings, and Designated Gift payments to Highland Presbyterian Church should be postmarked or in the church office by December 31, 2023, to be recognized as charitable gifts for tax purposes in 2023.

HPC Online Pledge Payments - Please remember if you pay your 2024 pledge online in 2023 to use "Advance Pledge" on www.hpclouisville.org and click on the "Give" link. The memo boxes to the right of the dollar amounts are available for you to add a donation description like "2023 Pledge".

Gifts of Stock - Because we believe in being good stewards of what God has entrusted to us, we encourage you to thoughtfully consider the advantages of giving stock to Highland Presbyterian Church. If you own appreciated stock, it is almost always better to contribute stock than cash. By giving appreciated stock to a charitable organization, you avoid paying capital gains tax on the increased value of the stock. Because you are giving to a charitable organization, your gift is deductible for the market value of the stock at the time it was given. Many of our members have found that giving appreciated stock to the church makes very good sense. Please ask your financial advisor if this is a viable option for you. If you plan to give securities to the church, please first notify Clyde Foshee at clyde.foshee@outlook.com or call him at 502-451-2910. Highland Presbyterian Church's policy is to immediately sell all stock gifts and deposit the proceeds from the sale into the church bank account.

Stock Gift Delivery Instructions - Robert W. Baird & Co is HPC's brokerage firm to accept and process stock gifts. HPC's contact at Baird is Jesse Ryan 502-420-1400. HPC's DTC (Depository Trust Company, Baird's agent for receiving stock gifts) number is 0547.

Environmental Stewardship

Heat Pumps for Additions and Homes Without Air Ducts Homes with converted attics, porches, or additions can effectively heat and cool using ductless air-source heat pumps called mini-splits. You may have heard of them but didn't realize they are heat pumps, one of the most energy efficient methods available for making homes comfortable.

A mini-split can also be used to air condition and heat your home if you do not have air ducts. Mini-splits are small, flexible units with outdoor air-source heat pumps and indoor wall elements. Worth noting, mini-split owners tend to become enthusiasts. In addition to single space units, models that can heat and cool up to four rooms – each with its own thermostat – are available with one outdoor unit. Mini-splits lose no heat due to ductwork heat loss, making them even more efficient than ducted air-source heat pumps. **Initially mini-splits are more expensive than a conventional cooling and heating choice but use about 30 percent of the energy of a conventional system, providing homeowners savings over time.** Notably, Federal tax credits are available for heat pumps. For information about adopting mini-split heat pumps, contact an experienced installer. Information courtesy of: energy.gov (google mini-splits) and louisvillecan.org. Coming in January: how to save energy and money when you replace your water heater.

Her invitation to us: “Friends, this service is for you. Bring your grief. Bring your weariness. Bring your fatigue, and allow yourself a quiet space to reflect and draw near to God. We hope that these words and this order of worship can be a gift, ... providing a space of calm, quiet and healing. May you find peace in your journey.” Our service will be **Thursday, December 21, 6 p.m.**, in the sanctuary. Come as you are. God will meet you there.

It’s almost time for poinsettias! These glorious plants will brighten the sanctuary starting Dec. 17. If you would like to dedicate a poinsettia in honor of or in memory of someone special, the cost is \$12 each. You may take your dedicated flowers home with you after the 9:00 service on Christmas Eve. Contact the church office at 451-2910 to arrange for your dedication.
